

## National Service in New York

### MEETING COMMUNITY NEEDS IN NEW YORK

More than 22,000 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in New York. Serving at more than 3,400 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$92,930,000 to support New York communities through national service and social innovation initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$50,420,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars. Nationwide, CNCS, its grantees, and project sponsors generated more than \$1.25 billion in outside resources from businesses, foundations, public agencies, and other sources in FY 2015.

**AmeriCorps:** This year AmeriCorps will provide more than 5,200 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across New York. Most AmeriCorps grant funding goes to the New Yorkers Volunteer, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight hunger and illiteracy, improve health services, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 83,000 New York residents have served more than 130 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$301,650,000.

**Senior Corps:** More than 17,000 seniors in New York contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 4,300 young people who have special needs. Senior Companions help more than 1,700 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 1,700 groups across New York.

**Social Innovation Fund:** The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in New York, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing more than \$11,240,000 in expanding the impact of 35 nonprofits in New York, selected and supported by 9 intermediaries.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS engages millions of Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads volunteer initiatives across the nation. To learn more visit [NationalService.gov](http://NationalService.gov) or [Serve.gov](http://Serve.gov) or call 202-606-5000 or TTY 1-800-833-3722.

Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.

- <sup>1</sup> This figure represents the number of awarded positions available to be filled in the 2016 - 2017 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
- <sup>2</sup> This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in New York. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
- <sup>3</sup> AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
- <sup>4</sup> New York is served by the AmeriCorps NCCC campus located in Dundalk, Maryland. In the past year, AmeriCorps NCCC teams have served on projects in Albany, East Greenbush, Staten Island, West Point, Saugerties, Schoharie, Newburgh, New York, Catskill.
- <sup>5</sup> The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
- <sup>6</sup> As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise or other revenue used to support their programming activities across the state. Last year, CNCS, its grantees, and project sponsors generated more than \$1.25 billion in outside resources from businesses, foundations, public agencies, and other sources.

Since 1994, more than 83,000 New York residents have served more than 130 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$301,650,000.

## State Commission

The New York State Commission on National and Community Service - New Yorkers Volunteer seeks to improve lives, strengthen communities, and foster civic engagement through service and volunteering in New York State. It was established in 1994 by an Executive Order of the Governor, and administers programs funded by the National Community Service Trust Act of 1993, including AmeriCorps State and AmeriCorps Education Awards programs. The Commission seeks to improve lives, strengthen communities, and foster civic engagement through service and volunteering in New York State. Commission members each have a strong background in community service and leadership and provide a tremendous resource to the state service and volunteer communities. The role of each Commission member includes: monitoring and approving the annual grants process and recommendations for funding of National Service programs. The Commission also promotes volunteering and community service as proven methods to solve local problems in our communities.

## AmeriCorps State

AmeriCorps members serving in the Harlem Children's Zone's (HCZ) Peacemaker Program play a critical role in a pioneering comprehensive, community-building initiative called the HCZ Project. The Project is a neighborhood-based network of programs and services that create positive opportunities and outcomes for more than 25,000 children and adults who live in a 97-block area of Central Harlem. More than 125 AmeriCorps members support three key programs within the HCZ Project to improve the academic outcomes of Central Harlem children and youth. Members will support success in school, helping to improve literacy rates for 2,000 children in grades K – 5 at seven NYC public elementary schools in Harlem. Members support the school readiness of 237 three- and four-year-olds at the Harlem Gems pre-kindergarten programs, helping to ensure that they enter school kindergarten ready to learn. Members will support 200 Central Harlem high school youth, helping them graduate high school on time and gain acceptance into college.

New York State's Excelsior Conservation Corps is a new environmental education and stewardship AmeriCorps program for 18 to 25 year olds. AmeriCorps members perform meaningful environmental projects across New York State while gaining hands on-experience and skills in conservation careers. Envisioned in Governor Cuomo's 2015 Opportunity Agenda, the Excelsior Conservation Corps will enroll 50 members, striving for diverse membership and veteran engagement. The 10-month service program is administered by the Student Conservation Association, a leading national organization in youth and young adult conservation service and environmental education programs. "The Excelsior Conservation Corps will offer young New Yorkers the opportunity to gain skills and training while addressing some of our state's most pressing environmental needs," Governor Cuomo said. "Continuing this state's rich tradition of environmental stewardship, this new initiative will help ensure New York becomes cleaner and greener than ever before."

## AmeriCorps National

Citizen Schools is a nonprofit organization that partners with middle schools to expand the learning day for children in low-income communities. Its AmeriCorps members serve at public schools in in the Bronx, Brooklyn, and Manhattan, leading real-world learning projects, providing academic support, and helping all students discover and achieve their dreams. In their two years of service, AmeriCorps members serve as Teaching Fellows, giving students months of extra learning through academic mentoring and skill-building apprenticeships that translates into college readiness and career opportunities. Citizen Schools has been recognized as a leader in engaging volunteers, generating student impact, and balancing direct service with systemic change efforts. Students who are supported by Citizen Schools graduated from high school within four years at a rate of 71 percent, compared to 59 percent among matched peers, and 61 percent of Citizen Schools' alumni enroll in college.

City Year New York City AmeriCorps has 307 AmeriCorps members who serve full-time at 27 schools, helping more than 16,130 students at greatest risk of dropping out. AmeriCorps members serve alongside teachers, using research-based tools to improve students' attendance, behavior, and performance in math and English. The members also lead afterschool programs and school-wide initiatives to improve school culture. Half of the students who received attendance coaching from City Year New York AmeriCorps members improved their attendance by at least two percent average daily attendance, reclaiming at least 28 hours of time that would have been lost. In addition, eight out of ten students who are tutored in English Language Arts see progress on literacy assessments and three-fourths of students who receive tutoring improve on math assessments.

Relay Graduate School has 116 full-time AmeriCorps Professional Corps members serving across New York City as part of the Relay New York Teaching Residency. The Residency addresses the need for better and more diverse teachers in low-income communities across New York City by recruiting college graduates from the local community and training them over two years to serve as full-time teachers through a comprehensive residency program. In their first year, AmeriCorps members serve as teachers-in-training in one of Relay's high-needs partner public schools. Each member is paired with a Resident Advisor and spends five days a week in the Advisor's classroom, learning to use high-impact teaching strategies. At the end of their first year, the AmeriCorps members are prepared and certified to serve as full-time teachers of record, poised for a career improving educational and life outcomes for students in low-income communities. Relay's members have reached 1,257 students, and 886 of these students (70 percent) saw gains in either math or English knowledge.

Two Youth Mental Health First Aid (YMHFA) Corps AmeriCorps members served this past year at Westchester Jewish Community Services in White Plains and Compeer West in Buffalo. YMHFA is a certification course that introduces participants to risk factors and warning signs of adolescent mental health problems, focuses on the importance of early intervention, and teaches how to help adolescents who are in crisis or having a mental health or substance use challenge. The AmeriCorps members, who are trained YMHFA instructors, certified 317 community members in the program. A three month follow-up survey revealed that YMHFA strategies helped 122 adolescents who struggle with a mental health challenge or illness. Jewish Community Services certified school security staff as part of their Project AWARE program. Compeer West certified Cheektowaga school district staff as part of their Project AWARE program.

Youth Volunteer Corps has two AmeriCorps members who serve Manhattan. This year, the Youth Volunteer Corps AmeriCorps members have engaged 27 young people, including 11 disadvantaged youth. These youth volunteers gave 442 hours of service. They served on 36 projects for local agencies, including Via Christi Village, Meadowlark Hills, and Purple Power Animal Welfare Society.

## AmeriCorps VISTA

AmeriCorps VISTA member Laurie Dutton serves through the New York Campus Compact AmeriCorps VISTA program at SUNY Fredonia. She created a successful Fredonia Elementary School Food Day, recruiting 72 pre-service teachers to volunteer. Students rotated through ten stations about making healthy choices, photosynthesis, and other topics. NY Campus Compact AmeriCorps VISTA members at SUNY Stony Brook in Long Island created a "Brain Day" field trip in collaboration with the neurosciences department at Stony Brook. This trip was specifically designed for the high needs students of Central Islip Middle School. Ten graduate student volunteers led 30 middle school students through brain-related activities such as dissecting sheep brains, touring neuroscience labs, and viewing brain slices under microscopes. The event was to get the students excited about science and hopefully encourage them to continue choosing science electives through high school.

The New York Immigration Coalition began in 1987 to provide a unified voice and a vehicle for collective action for New York State's diverse immigrant communities and for native-born people alike. Today it is a statewide program with more than 200 member organizations. Some of these member organizations serve as sites for an AmeriCorps VISTA project. Members are helping to build capacity at nonprofits that serve mainly low-income immigrant communities that are welcoming new Americans. Much of the capacity building involves outreach through the technology such as blogs, websites, videos, and portals like Facebook and Instagram. Members are also involved in grant writing and fundraising. The member's efforts in volunteer generation and training has resulted in the recruitment of some 300 volunteers and enabled more than 600 service recipients to attend citizenship workshops, learn financial literacy, learn about occupational health and safety, become informed about disaster preparedness in the wake of Superstorm Sandy, and apply for citizenship.

## AmeriCorps NCCC

Woodstock Farm Animal Sanctuary is driven by the simple philosophy that kindness and respect to animals is our duty and that all the creatures that share this earth are here with us and not for us. During the summer of 2015, an AmeriCorps NCCC team helped prepare a new location for Woodstock Farm Animal Sanctuary. More than 300 animals required indoor or outdoor space, as well as fencing for each species, and there was a two-mile stretch of hiking trail that needed renovation. The team was tasked with a variety of projects, ranging from constructing and restoring a hiking trail (including moving 5,000 pounds of rocks), clearing pastures full of old debris, clearing acres of woods for the pigs and cows, cleaning and managing the chicken coops, clearing areas for the chickens, shrub, and garden maintenance, raking 200 pounds of leaves and vegetation, painting the inside and outside of the medical barn, the main office, and the visitor center, clearing campsites, and helping 40 guinea fowl relocate to the farm.

In the spring of 2015, a FEMA Corps team assisted Public Assistance program staff at the Joint Field Office in Forest Hills. AmeriCorps NCCC members completed, submitted, and reviewed grant applications, called Project Worksheets, on behalf of NY state agencies needing federal funding for repairs to be made as a result of damage done from Hurricane Sandy. FEMA Corps members tracked external requests and progress within the Public Assistance branch, organized data, and verified dollar amounts. Through cost verifications, AmeriCorps members ensured that the numbers on worksheets were correct and supported by the proper records invoices. Through these and other tasks, members helped bring Public Assistance operations closer to an end. Members assisted in writing 9 Project Worksheets totaling \$15,668,661 in requested grant funds. The applicants for these grants included the NY Police Department, Governor's Island, and local governments.

## Senior Corps Foster Grandparent Program

The Foster Grandparent Program in New York's Capital Region is making a difference in Head Start classrooms. Forty-five Foster Grandparent volunteers serve one on one with 90 children, helping to prepare them for entering kindergarten. Ninety percent of the children served live in poverty and all have an identified special or exceptional need. Foster Grandparents typically work with two children each, engaging in age appropriate activities to help the children develop cognitive, behavioral, and emotional skills. Foster Grandparents assist children with number and letter recognition activities, literacy activities, colors, object identification, social skills, and other appropriate activities. Ninety percent of the children served demonstrated gains in literacy skills. Beyond that, the bonds created between the senior volunteers and children provide both parties with warm relationships, build intergenerational understanding and communication, and contribute to increased self-esteem.

## Senior Corps RSVP

Broome County RSVP, in Binghamton, NY has 386 volunteers who support programs such as Meals on Wheels. Research showed that the prevalence of falls in Broome County was the highest in New York State, and because falls result in significant medical costs for older adults, RSVP has trained volunteers to lead Tai Chi exercises. RSVP collaborates with the Broome County Health Department and the New York State Health Department on the Better Balance Broome Project and the Broome County Community Health Improvement Plan to offer the Tai Chi for Arthritis exercise program. Designed by Dr. Paul Lam, this is a program recognized by the Centers for Disease Control and Prevention and the Administration on Aging as an evidence-based fall prevention program. This 12-form Sun Style set of movements focuses on improved relaxation, balance, posture, and joint pain management. Classes meet for an hour twice a week for eight weeks. The RSVP Director is a certified instructor and has trained nine RSVP volunteers as exercise leaders; and more than 100 seniors have participated as students, many of them attending multiple sessions of the classes.

## Senior Corps Senior Companion Program

Health Association of Niagara County, Inc. (HANCI) manages a Senior Companion Program in Niagara County, along with an RSVP and Foster Grandparent Program. Over the last several years, Niagara County has suffered from economic depression due to the exodus of several large manufacturing companies. Seventeen percent of this county's population is 65+ years old, and 9.2 percent of the county's population is age 65+ and living in poverty. In 2015, 83 volunteers from the Senior Companion Program committed over 80,000 hours to serve 219 Niagara county residents who are age 65 or older with the goal of keeping residents living independently in their own homes. Senior Companion volunteers provide home visitation, transportation to medical appointments, and accompaniment for grocery shopping and other essential shopping trips. Volunteers also frequently inform clients of appropriate community services and benefits. While meeting the practical needs of seniors, volunteers also provide friendship and socialization for clients. A reported outcome of this Senior Companion Program shows that 70 percent of served clients are able to remain in their own homes and continue living independently.

## Social Innovation Fund

The Social Innovation Fund (SIF) transforms lives by using evidence to find what works and make it work for more people. The SIF Classic and SIF Pay for Success programs harness the expertise of grant-making intermediaries to identify, evaluate and expand effective nonprofits serving low-income communities across America. The SIF programs throughout the state are using innovative approaches to overcome challenges in the areas of healthy futures, economic opportunities and youth development. In the past year, the CAS Carrera Adolescent Pregnancy Prevention Program provided services to a total of 3,744 youth. The Food Bank of NYC's SaveUSA program enrolled 1,340, the most participants ever, who deposited nearly \$1 million in savings accounts. The Children's Aid Society-New York, through its Family Rewards program, helped families earn more than \$4 million in rewards, an average of more than \$6,700 per family in New York City. St. Nicks Alliance WorkAdvance program had an average placement wage of over \$15 per hour. The Social Innovation Fund is investing \$1,568,799 in expanding the impact of 24 nonprofits in New York.

## Volunteer Generation Fund

The New York State Commission on National and Community Service is working with five nonprofit organizations located throughout New York State that will involve volunteers in efforts to alleviate poverty and increase opportunity for New Yorkers. The Commission's subgrantees, acting as connector organizations, are committed to recruiting, training, placing and managing volunteers within their organizations and within partner nonprofit organizations in their communities. Subgrantee organizations identified an issue area of focus, under the overall goal of alleviating poverty, and have articulated how the volunteers they recruit, train and manage will make a demonstrable impact in their communities.

Location	Intermediary Name <i>Nonprofit Subgrantees</i>	Description
New York, NY	<b>Corporation for Supportive Housing (2011)</b>	Based in New York City, Corporation for Supportive Housing (CSH) is an established leader in the supportive housing movement. CSH's SIF initiative supports an integrated approach to addressing chronic homelessness with individuals with complex health needs. CSH works with selected subgrantees to work with public agencies in identifying frequent users of public health systems and provide supportive housing tied to client-centered, integrated primary and behavioral health services. Coordination of these much needed services and the public systems that serve these frequent users has great potential for impact to the challenges facing a vulnerable population.
New York, NY	<b>Corporation for Supportive Housing (2014)</b> <ul style="list-style-type: none"> <li>• <i>New York State Department of Health in Albany, NY</i></li> <li>• <i>Avalon Housing, Inc. in Ann Arbor, MI</i></li> <li>• <i>ECHO in Austin, TX</i></li> <li>• <i>Ascencia in Glendale, CA</i></li> <li>• <i>AIDS CT (formerly CARC) in Hartford, CT</i></li> <li>• <i>Clark County, Nevada in Las Vegas, NV</i></li> <li>• <i>Homeless Health Care Los Angeles in Los Angeles, CA</i></li> <li>• <i>Housing Works in Los Angeles, CA</i></li> <li>• <i>Oklahoma City Department of Mental Health and Substance Abuse Services in Oklahoma City, OK</i></li> <li>• <i>Washington State Health Care Authority in Olympia, WA</i></li> <li>• <i>Project HOME in Philadelphia, PA</i></li> <li>• <i>Virginia Supportive Housing in Richmond, VA</i></li> <li>• <i>San Diego Housing Commission in San Diego, CA</i></li> <li>• <i>Tenderloin Neighborhood Development Corporation in San Francisco, CA</i></li> <li>• <i>State of New Mexico, Human Services Department in Santa Fe, NM</i></li> <li>• <i>Volunteers of America of Delaware Valley in West Collingswood, NJ</i></li> </ul>	CSH is strengthening the supportive housing creation pipeline of state and local governments and service providers prepared to implement Pay for Success (PFS) projects. This project will provide technical assistance in assessing PFS feasibility, building organizations' capacity to pursue PFS pilots that improve outcomes and reduce costs for high-cost vulnerable populations, namely homeless individuals, disabled persons residing in institutional settings or super utilizers of health care settings or other crisis resources.

## Intermediary Grantmakers in New York

Location	Intermediary Name	Description
New York, NY	<b>LISC (2016) PFS</b>	<p>As a Community Development Financial Institution (CDFI) and financial intermediary, LISC has been a national leader and early adopter of a comprehensive community development strategy focused on achieving impact in low-income communities across the country. LISC will use its expertise in transaction structuring and financing, as well as its deep programmatic experience, to bring high-quality PFS projects from development to implementation. LISC will provide Transaction Structuring support to 3-4 Service Recipients. LISC will identify high-performing service providers that have demonstrated the ability to develop and operate strong evidence-based programs for PFS investment, develop financial models, facilitate contract negotiations among stakeholders, build service provider capacity and support ramp-up activities. LISC will also raise investment capital for selected projects and develop ongoing monitoring and data collection requirements and procedures. Through its work, LISC will enable standardization of content-specific program design and systematization of contracting for social service programs to create a body of high-quality and routinely-collected data across content areas for PFS projects."</p>
New York, NY	<b>Local Initiatives Support Corporation (2015)</b>	<p>The Local Initiatives Support Corporation (LISC) will implement the Bridges to Career Opportunity Program to improve employment for low-income, hard-to-employ unskilled workers. The local organizations funded by the program will partner with employers to ensure that the academic preparation, skills training and other provided services are relevant to local industries and employment opportunities.</p>

New York, NY	<p><b>The Edna McConnell Clark Foundation</b></p> <ul style="list-style-type: none"> <li>• <i>Communities in Schools, National in Arlington, VA</i></li> <li>• <i>WINGS for Kids in Charleston, SC</i></li> <li>• <i>Youth Guidance in Chicago, IL</i></li> <li>• <i>Children's Home Society of North Carolina (CHSNC) in Greensboro, NC</i></li> <li>• <i>PACE Center for Girls, Inc. in Jacksonville, FL</i></li> <li>• <i>Children's Institute, Inc. in Los Angeles, CA</i></li> <li>• <i>The Children's Aid Society- Carrera Adolescent Pregnancy Prevention Program in New York, NY</i></li> <li>• <i>Reading Partners in Oakland, CA</i></li> <li>• <i>Gateway to College National Network in Portland, OR</i></li> </ul>	<p>The Edna McConnell Clark Foundation (EMCF), in collaboration with the Bridgespan Group and MDRC, provide financial, strategic planning and evaluation support to a current portfolio of nine youth development and school support nonprofit organizations working in both urban and rural communities throughout the nation. These subgrantees help youth ages 9-24: 1) improve their educational skills and academic achievement; 2) prepare for the world of work and make the transition to employment and economic independence; and, 3) avoid high-risk behaviors such as criminal activity and teen pregnancy. Over the last decade, EMCF has implemented a grant making approach that identifies highly-promising nonprofits serving disadvantaged youth from low-income communities and makes large, long-term investments to strengthen their evidence base and replicate and expand them so they can serve more young people. At the heart of this approach is a multi-year business plan that guides an organization's development. EMCF will donate the cost of formulating such business plans. To help facilitate expansion into new target geographies, co-investors will assist with the identification and selection of nonprofit organizations.</p>

The project aims to serve up to 2,250 individuals considered at risk for recidivism over the next five years.

## Nonprofit Subgrantees in New York

Program HQ Location	Nonprofit Subgrantee Name <i>Intermediary</i>	Description
Syracuse, NY	Hillside ICAP Nonprofit Finance Fund	Hillside Family of Agencies, working in partnership with Third Sector Capital Partners, will implement the Intensive Community Asset Program (ICAP), after being selected to develop a Pay for Success project by the New York State Pay for Success Initiative in April 2014. ICAP is designed to provide youth involved in the state's juvenile justice system with an alternative to placement that helps create pathways to success in home, school and community. The project will serve youth in 10 counties of upstate New York with intensive care management, specialized services and connection to community-based supports and resources in order to reduce the number of days spent in placement or jail, thus minimizing the negative long-term impact of incarceration on employment, education and health.
New York, NY	Center for Employment Opportunities REDF (2015)	Center for Employment Opportunities is a national organization that provides life skills education, transitional work experience, placement services, and post-placement support to previously incarcerated individuals. CEO puts crews of employees to work on grounds-keeping and road maintenance projects for municipal agencies. Currently operating in New York, Pennsylvania, Oklahoma, and California. CEO's vision is that anyone with a recent criminal history who wants to work has the preparation and support needed to find a job and to stay connected to the labor force.
New York, NY	The Children's Aid Society- Carrera Adolescent Pregnancy Prevention Program The Edna McConnell Clark Foundation	The Carrera Adolescent Pregnancy Prevention Program, a program of the Children's Aid Society, is an evidence-based pregnancy prevention model that helps young people avoid becoming parents during the second decade of their lives. In 2015, the Carrera Adolescent Pregnancy Prevention Program increased the total number of youth served to 3,744 by adding another grade level at its Bronx Prep school in New York City and at Union Schools in Tulsa. Dr. Carrera was also featured in PBS's three-part documentary series, A Path Appears, based on a book by Pulitzer Prize-winning journalist Nicholas Kristoff and Sheryl WuDunn, and was awarded federal Health and Human Services/Office of Adolescent Health funding for the next five years for its in-school models in New York City and Tulsa
Buffalo, NY	Independent Health Foundation US Soccer Foundation	Through this Soccer for Success program, over 1,100 youth are provided with physical activity, nutrition education, mentorship, and family engagement opportunities that combat childhood obesity and promote healthy lifestyles.
